RECIPE

TO HELP RETAIN YOUR STAFF

6 Ways

the THACSA Pension Fund

can help you to build a long lasting relationship with your team!

Funeral cover up to the value of R20 000 for your employees and their immediate families

How does this benefit you?

You can avoid a situation where your loyal employee's family is turned away while trying to gather money to pay for funeral expenses.

How does this benefit your staff?

They have peace of mind that in times of personal and emotional distress, financial worries do not have to feature on their list of priorities.

We ensure that your staff makes provision for their retirement

How does this benefit you?

Your employees are accountable and are making provision for their retirement.

How does this benefit your staff?

Less stress regarding their future.

Give your staff peace of mind that they and their families are covered in case of unforeseen events such as death and disability

How does this benefit you?

Retain your reputation as an employer of choice, by encouraging your loyal employees to take responsibility and ensure that they are supported financially even when they are no longer able to actively participate in your operations.

How does this benefit your staff?

Members of our Fund have death cover and a monthly income protection disability cover to provide financial support in these unforeseen circumstances.

Affordable contribution rates for both the member and employer

How does this benefit you?

Various contribution options available to suit your team's budgetary requirements.

How does this benefit your staff?

Access to a wide range of benefits at affordable rates, for every staff at every level all the way through to senior management.

Low administration fees

How does this benefit you?

Knowing your staff's contributions are being well-managed.

How does this benefit your staff?

More money saved today, means more money saved towards retirement.

Easy access to information and claim processes making your life easier

How does this benefit you?

Simple claim procedures and various support channels available at your fingertips, eliminating unnecessary administration to you.

How does this benefit your staff?

An efficient and streamlined process, minimising the waiting time associated with processing of claims when they need it most.

A life of service deserves a service for life
