### INDEPENDENT AUDITOR'S REPORT ON ASSETS HELD IN COMPLIANCE WITH REGULATION 28 TO THE BOARD OF FUND

#### *Opinion*

We have audited Schedule IB "Assets held in compliance with Regulation 28" of the Tourism, Hospitality and Catering (THACSA) Pension Fund ("the Fund") at 31 December 2016 (the "Schedule") for compliance with the requirements of Regulation 28 of the Pension Funds Act of South Africa (the Regulation), as set out on pages 42 to 46. Our engagement arises from our appointment as auditor of the Fund and is for the purpose of assisting the Board of Fund to report to the Registrar of Pension Funds (the "Registrar").

In our opinion, Schedule IB "Assets held in compliance with Regulation 28" at 31 December 2016 by the Tourism, Hospitality and Catering (THACSA) Pension Fund is prepared, in all material respects, in accordance and in compliance with the Regulation.

#### *Basis for Opinion*

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Schedule* section of our report. We are independent of the Fund in accordance with the Independent Regulatory Board for Auditors *Code of Professional Conduct for Registered Auditors* (IRBA Code) and other independence requirements applicable to performing audits in South Africa. We have fulfilled our other ethical responsibilities in accordance with the IRBA Code and in accordance with other ethical requirements applicable to performing audits in South Africa. The IRBA Code is consistent with the International Ethics Standards Board for Accountants *Code of Ethics for Professional Accountants* (Parts A and B). We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### *Emphasis of matter - Financial reporting framework and restriction on use*

Without modifying our opinion, we draw attention to the purpose of our report as indicated in the opinion paragraph, and the basis of accounting. Consequently, the Schedule and our auditor's report may not be suitable for another purpose.

#### *Other matter*

The information contained in Schedule IB has been extracted from the Fund's underlying accounting records that were the subject of our audit engagement on the annual financial statements and forms the subject matter of this engagement. Our audit of the annual financial statements of The Tourism, Hospitality and Catering (THACSA) Pension Fund for the year ended 31 December 2016 was conducted in accordance with International Standards on Auditing and in our report of 7 June 2017 we expressed an unmodified opinion, and therefore the annual financial statements are prepared, in all material respects, with the Regulatory Reporting Requirements for Preservation Pension Funds in South Africa.

#### *Other information*

The Board of Fund is responsible for the other information. The other information comprises the Annual Financial Statements in terms of section 15 of the Pension Funds Act no 24, 1956, but does not include Schedule IB and our auditor's report thereon.

Our opinion on Schedule IB does not cover the other information and we do not express an audit opinion or any form of assurance conclusion thereon.

In connection with our audit of Schedule IB, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with Schedule IB or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

*Responsibilities of the Board of Fund for the Schedule*

The Board of Fund is responsible for the preparation of the Schedule in compliance with the Regulation, and for such internal control as the Board of Fund determines is necessary to enable the preparation of the Schedule that is free from material misstatement, whether due to fraud or error.

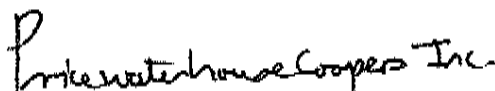

*Auditor's Responsibilities for the Audit of the Schedule*

Our objectives are to obtain reasonable assurance about whether the Schedule as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Schedule.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Schedule, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Fund.

We communicate with the Board of Fund regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
